Viewing and participating in the interactive chat room (hereinafter: “the study room”) is for educational purposes only, to increase general knowledge about the capital market in general and about the use of trading methods and the method of technical analysis in particular. It is not intended to recommend stocks. The study room is also used as a venue for exchanging opinions, asking questions and helping people to become acquainted with and to use various trading tools and trading methods, including by means of technical analysis and other tools.

The information does not constitute financial advice or a solicitation to buy or sell any securities of any type. We are not a financial advisor or broker, and we do not make stock recommendations. Information in the study room may be inaccurate or undated.

If a student uploads any information to the study room, including in form of a question, other students should not treat this information as accurate, true, updated or advice of any sort.

Anyone who acts on the basis of what is stated in the trading room for the purpose of actual investments is acting contrary to the purposes of the study room and the recommendations of the company, and does so solely at his own responsibility. We will not have any liability for any loss or damage, including without limitation, any loss or loss of profit, which may arise directly or indirectly from use of or reliance on the information.

The company reserves the right to immediately terminate the user's use of the study room at any time, at its sole discretion, if the user made unlawful, improper, unreasonable or potentially harmful use of the service.

### **U.S. GOVERNMENT REQUIRED DISCLAIMERS**

Stocks, Futures, CFD, Forex & Options trading has large potential rewards, but also large potential risk and it is not appropriate for everyone. You must be aware of the risks and be willing to accept them in order to invest in the futures and options markets. Don't trade with money you can't afford to lose. This is neither a solicitation nor an offer to Buy/Sell any securities. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown on this website. The past performance of any trading system or methodology is not necessarily indicative of future results.

### **CFTC RULE 4.41**

HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE CERTAIN LIMITATIONS. UNLIKE AN ACTUAL PERFORMANCE RECORD, SIMULATED RESULTS DO NOT REPRESENT ACTUAL TRADING. ALSO, SINCE THE TRADES HAVE NOT BEEN EXECUTED, THE RESULTS MAY HAVE UNDER-OR-OVER COMPENSATED FOR THE IMPACT, IF ANY, OF CERTAIN MARKET FACTORS, SUCH AS LACK OF LIQUIDITY. SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFIT OR LOSSES SIMILAR TO THOSE SHOWN. In addition, hypothetical trading does not involve financial risk, and no hypothetical trading record can completely account for the impact of financial risk in actual trading. For example, the ability to withstand losses or to adhere to a particular trading program in spite of trading losses are material points which can also adversely affect actual trading results.

There is risk of loss in all trading. Past performance is not indicative of future results. All results are hypothetical. No implication is being made that anyone utilizing any of the services has or can obtain such profits and results. The information is not a recommendation to buy or sell at this time, but merely a presentation of trades strategies. The information contained herein has been obtained from sources believed reliable, but is not guaranteed as to the accuracy or completeness. Please check market fundamentals and technical conditions before considering these or any trades. Under no circumstances will the company be liable for any direct, indirect, incidental, special or consequential damages with respect to the user's actions or non-actions based on the information, loss of data or lost profits, regardless of whether or not such damages could have been foreseen or prevented.
